BALLSTON GIVES

In order to better direct the impact of charitable donations, the Ballston BID has created a new charitable arm, BallstonGives. Fundraising events, such as Taste of Arlington, will be controlled by BallstonGives, allowing the events to have an even higher impact on the community. BallstonGives will be maintained by selling sponsorships and tickets to programs and events, applying for grants from Governmental and private institutions and by accepting direct contributions.

Since January 2012, The Ballston BID has donated over \$140,000 to local charities; some of which include the Arlington Food Assistance Center, Leadership Arlington, Doorways for Women & Children, Arlington Community Center, and the Arlington Arts Center. While many Business Improvement Districts in the area make donations, few have distinct and separate charitable arms. This will allow each charitable dollar to have a deeper impact in the community.

TASTE OF ARLINGTON CHARITY BENEFICIARY

The Arlington Food Assistance Center (AFAC) is a community-based non-profit that provides supplemental groceries to Arlingtonians in need. With the help of our community, AFAC serves approximately 1,600 families a week, including elders, children, the unemployed, and the under-employed.

Over 80% of their funds and 65% of the food AFAC distributes is donated from people like you. To learn more about AFAC, or to learn how to donate much-needed funds or food, please visit www.afac.org.

Thank you for helping us feed our neighbors in need!
